

PICK 3™

How to Play PICK 3

The “Let’s make this as simple as possible” method

1. In a hurry? Not sure where to begin? No problem. Just ask any Lottery retailer for a Quick Pick. Specify which Bet Type you wish to play (Exact, Any, Exact & Any, Front Pair or Back Pair) as well as how much you wish to wager (\$.50, \$1.00, \$2.00, or \$5.00). Then pick which draw (Midday, Evening or Both) you would like to play for up to 56 draws (28 Midday and 28 Evening). If you want to play just midday or just evening, you can play up to 28 draws in advance.
2. The terminal will randomly pick 3 numbers for you. No need to break a sweat, right?
3. Players may play up to ten Quick Picks on a ticket. Good luck—times ten!

The “I got this” method

1. Already know what to do? Good for you! Just pick up a playslip and get started. You may play up to five boards on the same playslip.
2. Mark your three numbers, one from each column, choosing 0 through 9 or choose Quick Pick (QP).
3. Select the Bet Type you want (Exact, Any, Exact & Any, Front Pair or Back Pair) for each board played.
4. Select the amount you want to wager (\$.50, \$1.00, \$2.00 or \$5.00) for each.
5. Select which drawing you want to play, Midday, Evening, or Both (Both = 2 draws).
6. If you want to play more than one draw, select Advance Play. Players may play up to 56 consecutive draws (28 Midday and 28 Evening) or can choose just Midday or just Evening for 28 consecutive draws. That’s like a month’s worth of fun packed onto one ticket.
7. Hand your playslip to the clerk and receive your Pick 3 ticket. Then put that ticket in a safe place. (If you’re a wee bit forgetful, write yourself a note with a clue regarding the location of that “safe place.”)

Purchasing a Ticket

Set your alarm! You can buy Pick 3 tickets starting at 4:30 a.m., Monday through Saturday, and 8:00 a.m. on Sundays. Pick 3 ticket sales are suspended every day from 1:30 p.m. to 1:33 p.m. and from 7:30 p.m. to 7:33 p.m. for draw break. Don't worry, ticket sales resume after each three-minute draw break. Be sure to check the numbers on your ticket for accuracy. You can correct or cancel your ticket within one hour of purchase during retailers’ normal business hours (while system is operating) only at the same place you bought the ticket. And, make sure to sign the back of the ticket. Pick 3 tickets are bearer instruments – which means whoever signs the ticket owns the ticket. If you bought the ticket, then you deserve to own it. So sign it. It's easy.
