Colorado Lottery Announces Seven Days a Week Lucky for Life Drawings

Pueblo, Colo. -- Every day is now Colorado Lottery Lucky for Life players' lucky day. Lucky for Life drawings are now being conducted seven days a week for a chance to win \$1,000 a day for life.

To play Lucky for Life, players select 5 out of 48 numbers and 1 out of 18 numbers for Lucky Ball, using the playslip or quick pick option. Lucky for Life tickets cost \$2 and are available at most Colorado retailers, and ticket buyers must be at least 18 years of age.

"We are seeing some changes with almost all of our national drawing games to make them more attractive with better odds of winning," said Tom Seaver, director of the Colorado Lottery. "Our Lucky for Life loyalists are very excited about the opportunity to play this game seven days a week."

Lottery games may be purchased using a debit card where accepted by retailers (not all retailers accept debit cards). Lottery tickets can never be purchased with a credit card.

A draw for Lucky for Life players, tickets can be purchased up to 13 weeks (91 drawings) in advance of a drawing with Advance Play.
